

Our Mission

The Rutgers University Student Health Services is comprised of caring health professionals who value innovation, quality and efficiency, and strive to meet the evolving needs of a diverse Rutgers community by:

- providing leadership in college health and serving as a model for providing integrated health services to students, faculty and staff;
- serving as the University resource for health affairs with expertise in college health, college health-related research, alcohol and other drugs, mental health, public health and health education;
- influencing the health and well-being of future generations of citizens in New Jersey and beyond.

All Students are eligible to use Student Health Services!

- ♦ *Full time students are eligible even if you waived out of the student insurance plan*
- ♦ *Part time students can pay a one time semester fee*
